

Ingredients

Pure Chinese Menthol is the only active ingredient of Joint-Ritis. At 16% concentration, it is the maximum strength allowed over the counter.

Inactive Ingredients:

Though not therapeutic themselves, they are the vehicles in which our active ingredient is delivered.

Anhydrous (without water) lanolin's chemical structure is closer to skin tissue than almost any substance known to man and by far one of the most compatible with human skin lipids. We believe it is an excellent base for all of our natural ingredients and, by volume, lanolin is our largest ingredient.

When blended together, we believe our all-natural ingredients create an ideal product for delivering pain relief topically.

Superior-grade oils

Eucalyptus
Copaiba
Citrus
Lavender

Glucosamine
Chondroitin

Salonpas Pain Patch, 20 pcs. (2.56" x 1.65")
